DESIGNER OF THE YEAR fourth edition

REGULATIONS

ARTICLE 1

Olio Officina is organizing the **fourth Forme design International contest Designer of the Year**, to be held in Milan, Italy, in collaboration with media partners *Olio OfficinaMagazine*, *OOI International Magazine* and *Oliocentrico*. The aim of the competition is to highlight the packaging and design of the raw materials: extra virgin olive oil, olive oils, oils other than olive oil, other edible fats (solid fats of animal origin), oil pickles, the various types of vinegars, vinegar pickles and other preparations (condiments and seasonings). The list also includes other preparations based on table olives in their various formulations and any other oil pickles or creams containing oil as one of their raw materials, as well as cosmetic products based on olive oil, olives, olive leaves, and objects and articles made for the use of the listed products.

ARTICLE 2

A Steering Committee chaired by Mr Luigi Caricato, a leading authority on olive oil, shall be in charge of supervising, monitoring and checking every stage of the organization and execution of the fourth edition of the *Forme design International contest Designer of the Year*.

ARTICLE 3

The *Forme Design - Designer of the Year International Competition* is open to all creative people of all kinds, including designers, design professionals, architects, planners, start-ups, companies, associated studios, professional studios and teams.

ARTICLE 4

Members of the Jury, who are selected for their specific professional expertise on the various assessment criteria, will choose the best design, labels, packaging and cartons. Submissions relating to the packaging of oils, vinegars, condiments, pickles, olive oil-based cosmetic products and all products listed in Article 1 will be analysed, together with the concept behind each of the submissions.

ARTICLE 5
